Our School: The American College of Sofia (ACS) is **the oldest American educational institution outside the U.S.** Founded in 1860, the College was closed by the communist government in 1942 and re-opened in 1992 after the end of communism in Bulgaria. School Mission: ACS integrates the values and best practices of American pedagogy with the rich educational traditions of Bulgaria and Europe. We seek to develop critical thinking, lifelong intellectual curiosity, leadership, and collaboration among multi-talented students of various social, cultural, economic, and geographic backgrounds.

Our Grading Scale:

Excellent 6 100% - 91.5%	Very Good 5 91.4% - 80.5%	Good 4 80.4% - 70.5%	Passing 3 70.4% - 59.5%	Failing 2 59.4% - 0%
------------------------------------	-------------------------------------	--------------------------------	-----------------------------------	--------------------------------

Our Students: ACS is home to 953 students, Grades 8-12. Admission exam invitations are extended to candidates with 5.00 GPA and above. In spring of 2023, 21% of candidates held a 6.00 GPA; the mid 50% held a GPA of 5.50-5.93. Admission was offered to the top 266 of 755 exam takers, a rate of 35%. ACS students score high on the mandatory national (externally evaluated) exams (*matura*) in Grades 10 and 12, as well as on the PSATs and the SATs. 96% of our students are Bulgarian (90% from Sofia, 10% from outside of Sofia) and 4% are international from Columbia, Denmark, France, Greece, India, Israel, Poland, Russia, Spain, Ukraine, UK and the USA. Financial assistance is central to our mission, ensuring diversity within our student body and fostering an inclusive atmosphere at school. 30% of students receive financial aid; 6 per year receive merit & need-based full scholarships. Tuition for Bulgarian students is 9,120€. Tuition for international students is 20,720€, which includes the IB Diploma Program.

A high GPA is important, but it is only one aspect of what we consider a meaningful educational experience. At ACS, we focus on developing not only excellent scholars, but also on cultivating the unique talents and curiosities of our students through a strong curricular and co-curricular experience.

Classes of 2020-2024 GPA in junior year only

Our Faculty: Faculty at ACS are distinguished professionals in their areas of expertise and come from a variety of cultural backgrounds: 14 hold doctoral degrees and 69 hold masters degrees. 40% of the faculty are international. ACS faculty provide a unique and enriching blend of pedagogies to support international and Bulgarian curricula.

Our Curriculum: ACS is accredited by the Middle States Association of Colleges and Schools (MSA), the International Baccalaureate Organization (IBO) and the Bulgarian Ministry of Education and Science, which designated the College an Innovative School in 2017. Instruction at ACS is in English except for other languages and Bulgarian history. The rigorous college-prep. curriculum prepares all students for research university level of study. In grades 9 & 10, all courses are required. In grades 11 & 12, Bulgarian students enter the Bulgarian Diploma Program (academic stream) and choose one of the following profiles: Humanities, Foreign Languages, Mathematics & Physics, Software & Hardware Sciences, Natural Sciences or Entrepreneurship. In each profile, the multiple courses of advanced study are all required. International students enter the IB Diploma Program and choose 3-4 higher level subjects, including English A Literature, which is required, and 2-3 standard level subjects. (Please note: Bulgarian students cannot enroll in the IB Diploma at ACS.) All students create a CAS (Creativity, Action, Service) portfolio yearly representing a minimum of 75 hours of extracurricular activities. Students who complete their ACS classes in one of the above programs and the CAS portfolio requirements also earn an American High School Diploma. Typically, 100% of students earn the American Diploma and the Bulgarian or IB Diploma. The ACS high school diplomas are accepted throughout the EU and around the world.
